1. Copyright and License to Publish

I/we, the listed author(s) of the above-titled manuscript, hereby retain copyright of the manuscript. By signing this agreement, the author(s) grant the Maldives Journal of Engineering and Technology (MJET) a non-exclusive license to publish, distribute, and archive the manuscript under the terms of the Creative Commons Attribution 4.0 International License (CC BY 4.0). This license allows others to share and adapt the work, provided appropriate credit is given.

2. Author Rights

Authors retain the following rights, without restriction:

- To reproduce, distribute, perform, and display the work in any medium for non-commercial or commercial purposes.
- To make derivative works from the article.
- To include the article in a thesis or dissertation.
- To use the article in future works, including lectures, presentations, press releases, and reviews, provided proper acknowledgment of the original publication in MJET is given.

3. License Agreement

The authors agree that MJET may publish the article under the CC BY 4.0 license, which permits:

- **Sharing:** copying and redistributing the material in any medium or format.
- **Adapting:** remixing, transforming, and building upon the material for any purpose, including commercial.

Under the following terms:

- **Attribution:** Appropriate credit must be given to the authors and MJET, a link to the license provided, and any changes indicated. The attribution must not imply MJET endorses any particular use.

4. Warranties

The authors warrant that:

- The manuscript is the original work of the authors.
- The work has not been published elsewhere and is not under review by any other journal (except preprints or theses).
- The manuscript does not infringe on any third-party rights or copyrights.
- All necessary permissions for third-party material used have been obtained.
- The manuscript contains no unlawful, defamatory, or obscene content.

5. Disclosure of Conflict of Interest

The authors declare any potential conflicts of interest related to the manuscript.

6. Authorship Responsibility

The authors certify their substantial contributions to the research and writing and approve the final version for publication.

7. Signature

One author may sign this agreement on behalf of all authors, provided they have been authorized to do so. By signing, the author(s) agree to the terms outlined above and confirm the accuracy of the information provided.
