1. Copyright Transfer

I/we, the listed author(s) of the above-titled manuscript, hereby transfer and assign to the Maldives Journal of Engineering and Technology (MJET) all rights, title, and interest in and to the copyright of the above-titled manuscript, subject to the terms below. This transfer of copyright is effective if and when the manuscript is accepted for publication.

2. Author Rights

In consideration of this transfer, the authors retain the following rights:

- The right to reproduce, distribute, perform, and display the work in any medium for non-commercial purposes.
- The right to make derivative works from the article.
- The right to include the article in a thesis or dissertation.
- The right to use the article in future works, including lectures, press releases, and reviews, provided proper acknowledgment of the original publication in MJET is given.

3. License Agreement

The authors grant MJET the right to publish the article under the Creative Commons Attribution 4.0 International License (CC BY 4.0). This license permits others to:

- Share: Copy and redistribute the material in any medium or format.
- Adapt: Remix, transform, and build upon the material for any purpose, even commercially.

Under the following terms:

- **Attribution:** Appropriate credit must be given, a link to the license must be provided, and any changes must be indicated. The attribution should not suggest that MJET endorses the use of the work.

4. Warranties

The authors warrant that:

- The manuscript is the original and independent creation of each Author.
- The Work has not been previously published and is not under consideration for publication elsewhere in any form, except for being posted as a preprint on a non-commercial server, or being included in a thesis or dissertation.
- The manuscript does not infringe any existing copyright or any other third-party rights.
- All necessary permissions for the use of third-party materials included in the manuscript have been obtained.
- The manuscript does not contain any unlawful content, including defamatory or obscene material.

5. Disclosure of Conflict of Interest

The authors declare any potential conflicts of interest that might be relevant to the manuscript.

6. Authorship Responsibility

The authors certify that they have participated sufficiently in the research and writing of the manuscript to take public responsibility for its content. Each author has reviewed the final version of the manuscript and approves it for publication.

7. Signature

One Author may sign this license agreement on behalf of all the authors if they all have authorized the signing, approval of the license and agreed to be bound by it. By signing this agreement, the author(s) agree to the above terms and confirm that the information provided is accurate.
